<p>Doctor Consults Any concerns you have, you can bring your pet in for an exam for no fee during our regular office hours at any of our clinics.</p>	UNLIMITED DOCTOR CONSULTS	
<p>Annual Comprehensive Exam It is important to keep your pet updated on all of their routine vaccines each year. We will work with you to ensure your pet has exactly what they need. Prior to vaccinating a comprehensive physical exam will be performed by the doctor including: eye, ear, dental, cardio-pulmonary, skin, hair, coat, abdominal, limb, weight and nutritional advice.</p>		
<p>Annual Vaccines After the examination the veterinarian will determine a vaccine schedule to keep your cat happy and healthy Vaccines Given: Rhinotracheitis-Calici-Panleukopenia-Chlamydia Psittaci-Feline Leukemia and Rabies</p>		
<p>Biannual Exams For Senior Cats</p>		
<p>Basic Diagnostic Testing Yearly testing for diseases allows for early detection and preventative measures to be taken. Your vet will test for Feline Leukemia and FIV or other blood parameters as they feel is indicated for the health of your cat.</p>		
<p>Advanced Diagnostic Testing Additional important blood parameters that evaluate thyroid, heart and other internal systems are assessed. This allows us to have more information and to better detect serious illnesses. Pet's also receive a basic urine screening test.</p>		
<p>Fecal Screen for Parasites Helps us to detect other intestinal parasites that can cause disease.</p>		
<p>Deworming Treatment To treat important parasites such as roundworm, hookworm and tapeworm.</p>		
<p>Spa Day Your pet will be treated to one pedicure and a brush out.</p>		
<p>Dental Cleaning Discount 10%</p>		

Enrollment fee applies for new plans.
